# #COMMUNITYWORKS

The IRC is a day resource center in downtown Greensboro dedicated to supporting the needs of those experiencing homelessness. Our unique "whole person" approach serves over 200 individuals every day, providing everything from fundamental needs to educational opportunities.

## What we do and how we do it.

### A Place For Connection

Whether you are currently homeless or housed and looking for a place to serve your community, the IRC provides a place to connect and establish relationships. We believe it is those relationships, above all else, that will lift individuals out of homelessness and transform society.

### Providing Necessary Services

The IRC is carefully designed to address the needs of those in poverty and in homelessness without duplicating services. Through carefully leveraging partnerships and resources, we provide everything from showers and laundry to mail services, bike repair, medical services, educational classes, case management, jobs programming, resume help, Veteran's support, and so much more.

### A Different Approach

The IRC is a different and new way to do social services. We are dedicated to horizontal and inclusive organizing, where our staff is representative of the population we serve and where our guest's voices are included in our decisions and operations.

The IRC is located at: 407 E. Washington Street in Downtown Greensboro.

To make a donation, visit us online or: PO Box 20568, Greensboro, NC, 27420
